No.

P.S. 21-32-7

SIR,

1-3516-B

With reference to the Government order No: G. 3544-5/P.&.S. 21-32-5, dated the 16th November 1932, sanctioning two hours' overtime allowance daily to each of the front and rear gate-keepers of the Government Press, Bangalore, in addition to the actual number of hours that would be admissible to them whenever the establishment works overtime work, I have the honour to state that the audit office has returned the overtime bills of these gate-keepers for the months of April 1932, July 1932 and August 1932 that had been kept by, pending the receipt of Government orders, on the ground that the allowance is admissiable only from the date of the Government order.

In this connection, I beg to state that as already explained in my letter No: P. 292, dated 8th August 1932, the two gate-keepers and in their absence, the person or persons deputed to do their work, have been performing their duties ever since the change in the working hours of the Press was brought into force with effect from 1st July 1930, and since they have actually worked the extra hours, it would be a hardship to deny them the overtime allowance due to them. They are, however, claiming the

4

allowances for three months only prior to the date of the Government Order, viz., for April, July and August 1932, amounting to a small sum of Rs 26-5-0.

I, therefore, solicit that Government may be pleased to accord kind sanction for the payment of this sum, being the overtime allowances due to them for these three months only.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent,
Government Printing.

No. Sig.

With reference to your letter No: G. 3546/B P.&.S. 21-32 dated the 16th November 1932, directing that more than one person may be detailed to do the work of the Gate-keeper if he has more than the usual hours of work or that steps should be taken to raise his pay to a proper level, considering the longer hours of his work, I have the honour to state that, as suggested, more than one person will be detailed to do the gate-keeper's work by turns as this course will not only keep down the cost on overtime allowances but will also relieve a single person being detailed for work continuously at the gate, irrespective of the staff working overtime or not. The enhancement of the pay of the gate-keeper is rendered unnecessary by this arrangement.

I have the honour to be,
Sir,
Your most obedient servant,

B. Puttaiya
Superintendent,
